

Awards

Concrete Innovation

2011 Design Awards - Multi-family Buildings

Precast/Prestressed Concrete Institute Design Awards
The Carlyle

2010 Charles J. Pankow, Jr. Award

American Concrete Institute Southern California Chapter Concrete Awards
University Gateway Student Housing Community

2010 Best Public/Institutional Building

Precast/Prestressed Concrete Institute Design Awards Competition
Leo J. Trombatore State Office Building Caltrans District 3

2009 Best Stadium

Precast/Prestressed Concrete Institute Design Awards Competition
Citizens Business Bank Arena

2007 Cornerstone Concrete Excellence Award

Southern California Ready Mixed Concrete Association
The Californian on Wilshire

2004 Charles J. Pankow, Jr. Award

American Concrete Institute Southern California Chapter Concrete Awards
Aqua Condominiums

2002 Harry H. Edwards Industry Advancement Award Co-Winner

Precast/Prestressed Concrete Institute Design Awards Competition
The Paramount

2001 Special Recognition Award

Precast/Prestressed Concrete Institute Design Awards Competition
Indian Wells Tennis Garden

2000 Outstanding Achievement and Excellence in Concrete Construction Award

American Concrete Institute Southern California Chapter Concrete Awards
Indian Wells Tennis Garden

1997 Robert J. Lyman Award

Precast/Prestressed Concrete Institute Design Awards Competition
Recognizing the paper entitled, "An Innovative Design Solution for Precast Prestressed Concrete Buildings in High Seismic Zones."

1996 Harry H. Edwards Industry Advancement Award

Precast/Prestressed Concrete Institute Design Awards Competition
"For those ideas and concepts that hold the potential to move the precast and prestressed concrete industry to the next generation of technology."

1995 Martin P. Korn Award

Precast/Prestressed Concrete Institute Design Awards Competition
Recognizing the paper entitled, "Development and Testing of a Ductile Connector for Assembling Precast Concrete Beams and Columns," for its "merit as the paper that offers the greatest contribution to the advancement of precast and prestressed concrete in the area of design and research."

1993 Honor Society Outstanding Alumnus

University of California, Los Angeles Civil Engineering
"In recognition of outstanding achievement in and contribution to the field of Civil Engineering."
(Robert E. Englekirk)

1992 American Concrete Institute Fellow

American Concrete Institute
"For outstanding and distinguished service to the Institute and the concrete industry."
(Robert E. Englekirk)

1991 Merit Award for Outstanding Civil Engineering Project of the Year

American Society of Civil Engineers.
Seismic Strengthening of Rockwell International's Building 80 using Base Isolation

1991 Project Innovation Award

American Society of Civil Engineers
Rockwell International's Building 80

1991 Outstanding Design Award

Los Angeles Tall Building Council
Rockwell International's Building 80

1991 Project Achievement Award

Institute for The Advancement of Engineering
Rockwell International's Building 80

1990 Charles C. Zollman Award

Precast/Prestressed Concrete Institute Design Awards Competition
"For the best state-of-the-art precast and prestressed concrete paper appearing in the PCI Journal during a single year," for the paper, "Seismic Design Considerations for Precast Concrete Multi-Story Buildings," PCI Journal - May/June 1990, Vol.35, No. 3

1990 Award for Outstanding Concrete Construction Project

American Concrete Institute
Emerald Plaza Center

1986 Henry C. Turner Award

American Concrete Institute
"For design and engineering achievements in the concrete construction industries."

1984 Alfred E. Lindau Award

American Concrete Institute
"For most outstanding contribution to innovative and constructible design of reinforced concrete."
